Be a force in tomorrow's mobile technology. QUALCOMM ENGINEERING WEEK

Tues, January 20 - Fri, January 23 @ **UCLA**

Don't move, Qualcomm is coming to visit you on campus for **Qualcomm Engineering Week, January 20th – 23rd.**

To say UCLA students make a global impact is an understatement. You come from more than 120 different countries to receive the gold standard in education. And you leave to embark on unprecedented paths in leadership and discovery. Those paths are wide open to you at Qualcomm.

We've got a lot going on for Qualcomm Engineering Week. You can...

Visit with Qualcomm recruiters

- Submit your resume for an internship or full-time opportunity
- Grab some free food
- Get resume writing tips from the experts, our recruiters
- Enter to win a G1 mobile phone (the new Google/Android phone)
- Learn about Qualcomm's latest technology at Demo Day

So, where can you meet up with us?
