

**2016-2017 HSSEAS Scholarship Applications Being Accepted  
for Current Engineering Undergraduates**

Dear Engineering Faculty & Staff:

The 2016-2017 HSSEAS Scholarship Application for Current Engineering Undergraduates is now open! There are over 100 scholarships available; awards range from \$400 to \$10,000 and total scholarship monies available for award is over \$400,000!

The announcement will go out to the every student in the School, but please encourage any students you feel are strong candidates to create and complete an application online prior to the Monday, October 31st at 5:00pm deadline. The application is available at:

<http://www.seasoasa.ucla.edu/scholarships-for-undergraduates/>

Prior to starting the application, students are advised to read the Scholarship F.A.Q.s at:

<http://www.seasoasa.ucla.edu/scholarshipfaq/>

Additionally, The Scholarship Resource Center will be hosting an optional workshop specifically for HSSEAS students applying for the HSSEAS Scholarships, in week 2.

HSSEAS students are highly encouraged to stop by the SRC prior to application due date for assistance with their application, in addition to attending the HSSEAS SRC workshop. Please note that week 5 & 6 are very busy at the SRC, so stopping by week 3 & 4 is advised:
