APPLY NOW for a unique postdoctoral fellowship opportunity with the Lawrence Berkeley National Laboratory.

The ITRI-Rosenfeld Postdoctoral fellowship will allow an outstanding recent or upcoming Ph.D. recipient interested in water-energy technologies to engage in innovative research leading to new energy efficiency technologies or policies and reduction of adverse energy-related environmental impacts.

Applications are due by November 1, 2016

The Fellowship recognizes the contribution of Arthur H. Rosenfeld, Ph.D., to the advancement of energy efficiency on a global scale, and is enabled by a gift from the Industrial Technology Research Institute of Taiwan.
