\*\*The closest major airport to UCLA is the Los Angeles International Airport, LAX. From LAX, take the 405 Freeway north.

1. From the 405 Freeway (either direction), exit Wilshire Blvd and proceed East (away from the ocean).
2. Turn Left on Westwood Blvd (the third signal light from the freeway). Follow Westwood Blvd for several blocks and it will take you straight into campus.
3. As you pass Le Conte Avenue, stay to the left and you will come upon the Parking & Information kiosk in the middle of the road. Tell the cashier that you are going to Engineering IV and they should allow entry to Lot 9, 6, or 8 (in order of preference). Parking is \$7.

4. Make your way to the Engineering IV Bldg and take the elevator to the 5<sup>th</sup> floor.
5. Babak's office is in the extreme southwest corner of the building (as indicated by the X on the map below). Outside each elevator are maps that depict the locations of each room.
