

## Hughes Research Laboratory (HRL) Graduate Fellowship

**Application Submission Deadline: Friday, November 8, 2019 @ 11:59pm**

On behalf of HRL, the UCLA Electrical and Computer Engineering Department (ECE) is pleased to be receiving applications for this HRL Graduate Fellowship. The fellowship awards up to \$25,000 towards tuition for 2 academic quarters starting in the Winter Quarter of 2019-2020 school year. The fellowship also includes a summer internship opportunity at HRL in the Summer of 2020.

The deadline to submit your application is Friday, November 8, 2019 @ 11:59pm. Fellowship recipients will be announced in December 2019.

### Applicant Requirements:

The applicant must meet the following requirements:

1. Student must be accepted or currently enrolled in the UCLA Electrical and Computer Engineering Department M.S. Program.
2. Student must be a U.S. Citizen or green card holder.
3. Applicant must be interested in one or more of the following specializations: *integrated circuit design, heterogeneous integration, photonics/electro-optics, machine learning/artificial intelligence, autonomous navigation, trusted/assured autonomy.*
4. Student must be willing to consider an opportunity to join HRL as a paid summer intern in the Summer of 2020.

### Application Material Requirements:

The application shall not exceed three single-space pages in legible font, including all figures, tables, and charts. It should contain the following:

1. The applicant's current resume or curriculum vitae.
2. A short essay that includes a description of your qualifications, interest in one or more of the above specialization topics, and your specific interest in participating in a Summer internship at HRL.
3. Submit application as one .pdf document.

**Note:** Before applying, you are highly encouraged to learn about HRL through their website ([www.hrl.com](http://www.hrl.com)).

All applications will be reviewed by the UCLA ECE Department, and HRL personnel. HRL will make the final selection.
