Electrical Engineering  
Class of 2025

**Hometown:** La Palma, CA

**Highschool:** John F. Kennedy High School

**Interests:** Arts & crafts, music, video games,  
walking Benji (^^)

### Why did you choose UCLA ECE ?

The combination of the appeals to software components or computer science through GWC and hardware components through my dad's work as an electrician led me to UCLA ECE.

### How are you involved at UCLA?

- **IEEE:** OPS (Open Project Space); KrispIEEE  
Treats GB
- **CKI:** KFAM Event Planning Subchair → KFAM  
Networking Chair
- Planning to hopefully be more involved in SWE

### What are your educational and career goals?

I hope to get more involved in research and/or internship opportunities to expand my options to what interests me. For now my goal is to learn and explore new topics.

### What projects are you taking on in your own time?

- Expanding a personal website
- Illustrations for a book
