

ELECTRICAL ENGINEERING DEPARTMENT
The Henry Samueli School of Engineering and Applied Science
University of California, Los Angeles

FELLOWSHIP FORM FOR CONTINUING STUDENTS

Note: Minimum GPA Requirement for Consideration: 3.7; Student must either have been admitted to Ph.D. program, or passed Ph.D. Prelims with M.S. completion date of no later than Fall Quarter.

Student Name: _____ Date: _____ UID#: _____

Email Address: _____ Advisor: _____

Major Area: Circuits & Embedded Systems Physical & Wave Electronics Signals & Systems

Current degree program: MS PhD Coursework completed? Yes No GPA: _____

Quarter and year started current degree program (e.g., Fall 2002): _____

Quarter M.S. requirements completed (for M.S. students continuing to Ph.D.): _____

Quarter admitted into the Ph.D. program: _____

Passed the Ph.D. preliminary examination? Yes No Quarter passed the exam: _____

Advanced to Ph.D. candidacy? Yes No

If Yes, Quarter advanced to candidacy: _____

If No, Quarter the Ph.D. Qualifying Examination is expected to be taken: _____

Have you ever dropped a course after the fourth week of a quarter without having a petition approved by the department? Yes No Courses & Quarters: _____

PROFESSIONAL AWARDS & HONORS: (only list those since starting graduate studies at UCLA)

PUBLICATIONS: (only list those since starting graduate studies at UCLA)

1. M.S. Thesis at UCLA (if any) [*title, date, advisor*]

2. M.S. Project Report at UCLA (if any) [*title, date, advisor, and grade*]

3. Technical research papers published or accepted in journals, conferences, workshops etc. or patents based on UCLA work [author/inventor list, paper/patent title, full name of conference or journal or patent #, date]. Attach extra sheets if needed. Do NOT list papers that are in preparation or still in review.

Research Accomplishments: use this space to describe your major research accomplishments at UCLA and your on-going research at UCLA.
