

ELECTRICAL ENGINEERING DEPARTMENT
The Henry Samueli School of Engineering and Applied Science
University of California, Los Angeles

FELLOWSHIP NOMINATION FORM
FOR NEWLY ADMITTED GRADUATE STUDENTS
(to be filled by the primary nominating faculty member)

Applicant's Name: _____

Nominating Faculty: _____

Major Area: Circuits & Embedded Systems Physical & Wave Electronics Signals & Systems

Residency Status: US Citizen or Permanent Resident (check if applicant has CA resident status)

Foreign Student (i.e. neither US Citizen nor Permanent Resident)

Degree Objective: MS MS/PhD PhD

Are you willing and able to provide any GSR support? Yes No

If yes, how many quarters during Y1? _____

If we select this applicant for a multi-year Fellowship-GSR-TA package, will you be willing and able to provide full GSR support during the second year? Yes No

If we are unable to provide fellowship, are you interested in an NRT supplement? Yes No

(This is for students who are not CA residents and, in this case, you will need to provide GSR support equivalent to a CA-resident student, and the department would provide NRT.)

Rank of this applicant relative to others nominated by you: _____ out of _____.

Names of others nominated by you: _____

INTERVIEW INFORMATION

(Note: we expect that US-resident students would be interviewed in person during the open house. For students not resident in the US, we expect a thorough phone interview by one or more faculty.)

List all the faculty who interviewed the applicant during open house or by phone, and submit a *Fellowship Interview Evaluation Form* filled by each of them (including you, the nominating faculty):
