RECRUITMENT EMAIL: Earn \$30 to talk about COVID-19 precautions

Dear Bruins,

Want to earn \$30 to share what you think about returning to campus and COVID-19 precautions? We are hosting a series of virtual focus groups (small group discussions) with UCLA students and staff in August as part of a research study.

Complete this short interest form to be eligible to participate:

<https://baseline.campuslabs.com/ucla/c19fgfa2020>

Participation is voluntary and your answers will be confidential. There will be about 8 participants in each focus group, which will take approximately 1 hour and 30 minutes. Results from this study may help UCLA and other universities better support students and staff as they return to campus. You will receive a \$30.00 gift card for your participation. The focus group will take place virtually through Zoom and will be offered at various times of the day, Monday through Friday.

If you have any questions, please do not hesitate to contact us. You may also contact the Principal Investigator of the study and UCLA Faculty Dr. Wendelin Slusser (wslusser@conet.ucla.edu).
